DI for bass          7. 4 Monitors          8. 2 Overhead drum stands and mics          9. 1 short stand with mic for kick (or Cajon depending on drummer)          (This is the minimum for our</p>	<p>drum set up. If you have mics for snare or toms as needed that is cool. Sometimes the drummer works a pretty small kit so 2 overheads and a kick/cajon mic generally gets the job done.)          10. 3 stools (2 is fine, 3 if possible)</p>	<p>11. deleted          12. Small table if available          13. A Rug (approx. 5' x 8' should cover at least stations 1 &amp; 2)          14. Drum mat/rug</p>
